Just checking in to make certain we could still meet tomorrow. If so, would 1:30pm work for you?

That would be great.

I have a 3pm (pacific time) meeting, so any time before that would be great.

Hi Bob,

Thanks for reaching out, I'd be happy to sit down with you. Let me know your schedule that afternoon and I will reserve a conference room for us. I no longer work on the Leviathan site, but I will invite the current Community Involvement Coordinator, Yolanda Sanchez, to join us if she is available. She's copied above, and her contact details are below if you need Leviathan-related information. I'm still the right contact for Yerington (Anaconda) work.

Sarah:

My name is Bob Miner and I manage Communications & External Affairs for BP America (including for our affiliated company Atlantic Richfield Company). I have worked on the Yerington, Nevada and Leviathan, California mining sites over the last several years.

I will be at Region 9 headquarters on the afternoon of January 26th for another meeting and wondered if you might have a few minutes for us to meet and talk about stakeholder issues at those sites?
